

# AN UTTERLY RUBBISH ADVENTURE

## THERE'S A WORLD INSIDE YOUR BIN!

After falling into a mysterious trashcan, Jim is thrown into a wild and wonderfully silly tale of adventure, invention and some very odd characters. Combining high-energy physical theatre with rubbish puppets and recycled props - and featuring catchy original songs - you'll never look at your garbage the same way again.

**An Utterly Rubbish Adventure** won the Fringe World Weekly Children's Event Award in 2022, the Adelaide Fringe Tour Ready Award in 2023, had a season at The State Theatre Perth and is currently on a tour of schools around WA.
